

# Khairi Curriculum Vitae

**Malta\_Duhok**  
**Kurdistan-Iraq**

**Mobile: 07504199674**  
**Email: khairree\_eng@yahoo.com**

---

## EDUCATION

2011 – 2012                      University of Birmingham-MSc. water resources technology and mana.  

- An experimental analysis of water treatment filtration

2005 – 2009                      University of Duhok – BSc. water resources engineering

1999 – 2005                      Qasrok secondary school

---

## WORK EXPERIENCE

2009 – 2011                      Demonstrator at college of engineering-University of Duhok  

- Practical session/ surveying
- Practical session/ fluid mechanics

2012-2016                      Teacher Assistant in the college of engineering, Duhok University, ongoing  

- Water Quality and Pollution
- Academic Debate I & II
- Mathematics I & II

2009 – 2010                      Supervision of civil engineering projects.

Current Academic position: Rapporteur of water resources engineering department 2014, ongoing.

---

## COMPUTER LITERACY

**Regular user of:-**

- AutoCAD Software
- EPANET Software
- MS Office

---

## LANGUAGES:

- Kurdish
- English
- Arabic

---

## TRAINING COURSES:

I was involved in the following courses to enhance my skill:

- English Proficiency Course July 2010, organized by training and development center-UoD.
- Computer Proficiency Course Sept. 2010, organized by training and development center-UoD.
- Method of teaching in Jan, 2013, organized by training and development center-UoD.

---

## MEMBERSHIP

Member of Kurdistan Engineering Union since 2009.

---

## PUBLICATION

Simulation of Chlorine Residual in Duhok's Water Distribution Network (Entire Ashti District) using EPANET 2.0, *Caspian Journal of Applied Sciences Research*, 2015, 4(6), pp. 1-9, 201. (paper Accepted, NPY)
